

What does it take to beat the best and get into IIT?

*Brilliance. Grit. Ambition.
And a course called Elite.*

Every year thousands of intelligent, hardworking, ambitious young men and women burn with the desire to get into IIT. And the determination to make it happen.

Elite is the one course that shares this determination. That converts it into a carefully charted out and very real state of preparedness. That turns your bright potential into a glowing confidence that assures your success in the IIT-JEE.

Elite is, quite simply, an evolutionary marvel. Created in response to a very real need for assistance in facing the irrefutably daunting IIT-JEE, the Elite Course has grown in strength, content and dynamism. To equip you, not only with the necessary knowledge, but the practised skill in utilising that knowledge to acquire the problem-solving bent of mind so essential to succeed in the IIT-JEE.

To begin with, the basic philosophy behind the Elite Course is to put time firmly on your side. This is why the course is paced over 2 years, using the less taxing Std. XI year to your greatest advantage.

Comprehensive Postal Lessons build up an unshakeable knowledge base of the fundamentals. Assignments containing hundreds of problems of varying complexity gradually sharpen your problem-solving skills. 2 years' Y.G. FILES challenge you with 3000 super-tough problems. A committed 'Doubt Letter Scheme' allows you to clarify doubts with our professors by post. Periodic Contact Programmes, conducted by Brilliant's 'Flying Faculty' in 14 cities, offer you the valuable experience of actually meeting and interacting with our professors.

While building up your foundation, the Elite Course simultaneously works towards creating in you the calm, quick-thinking temperament needed to perform in actual test conditions. Ten Progressive Postal Tests, 4 Progressive National Sit-down Tests and 6 Part Tests covering the full-syllabus of selected topics all these heighten your level of preparedness.

Finally, you will actually tackle, again and again, question papers, testing conditions, time factors and competition identical to those you will face in the IIT-JEE 2010, through B.MAT's 10 Full-syllabus, home-based IIT-JEE Simulator Tests (with sealed solutions) and 8 Full-Syllabus National Sit-down Tests held in 41 cities.

Throughout the duration of your Elite Course, hundreds of researchers, professors and support staff continue to work tirelessly to keep your study materials up-to-date, your doubts clarified and your progress on a swiftly moving course.

At the end of 2 years you will have completed the most systematic, scientific and successful preparation for the IIT-JEE. You will approach it with the same confidence that has fired thousands of Brilliant students, year after year. And above all, you will know you have given yourself the best chance of going out there and making it to the very top.

THE INDIAN INSTITUTES OF TECHNOLOGY JOINT ENTRANCE EXAMINATION (IIT-JEE)

Admission of Indian and foreign nationals to undergraduate Programmes like B.Tech/B.Pharm/Integrated M.Sc., and M.Tech Courses in any one of the IITs at Chennai, Guwahati, New Delhi, Mumbai, Kanpur, Kharagpur and Roorkee, is made through the Joint Entrance Examination conducted by the IIT every year. The Indian School of Mines, Dhanbad and the Institute of Technology, Banaras Hindu University, Varanasi also admit students from the JEE merit list to their undergraduate Programmes.

Pattern of Examination *

The pattern of the JEE has been changed from JEE 2007. The JEE now consists of a single examination with two papers (Paper 1 and Paper 2) each of three hours duration. Both Paper 1 and Paper 2 will each have three separate sections on Physics, Chemistry and Mathematics. Both the papers will be objective type, designed to test the comprehension and analytical ability of Candidates.

Eligibility for writing the IIT-JEE 2010 *

- (i) All Indian and foreign nationals seeking admission to the IITs must write the JEE.
- (ii) Students who have passed the 10+2 or equivalent in 2009 and candidates appearing in the 10+2 or equivalent exam in 2010 must secure at least 60% marks in aggregate in their respective Board Examinations. There is a 5% relaxation for SC/ST and PD candidates.

If the respective Boards award letter grades, without providing a norm for converting them to equivalent percentage marks, the norms decided by the Joint Implementation Committee of the JEE will be final.

- (iii) A candidate is allowed only two attempts to write the JEE. He/She will be allowed to write the JEE only in the year in which he/she passes the qualifying examination and/or in the following year.

* Based on the Notification published for IIT-JEE, 2008.

- (iv) Candidates who have joined any of the IITs, IIT-BHU, Varanasi or ISM, Dhanbad through the JEE, will not be permitted to appear for the JEE again.
- (v) The date of birth of a candidate intending to write the IIT-JEE in 2010 must fall on or after October 01, 1985. There is a five year relaxation in the upper age limit for SC/ST/PD candidates whose date of birth must fall on or after October 01, 1980.

Qualifying Examinations:

Candidates appearing for JEE-2010 should have either completed or shall be appearing in 2010 in any one of the following qualifying examinations:

- (i) The final examination of the 10+2 system, conducted by any recognized Central/State Board, such as Central Board of Secondary Education, New Delhi; Council for Indian School Certificate Examination, New Delhi; etc.
- (ii) Intermediate or two-year Pre-University Examination conducted by a recognized Board/University.
- (iii) Final Examination of the two-year course of the Joint Services Wing of the National Defence Academy.
- (iv) General Certificate Education (GCE) Examination (London/Cambridge/Sri Lanka) at the Advanced (A) level.
- (v) High School Certificate Examination of the Cambridge University.
- (vi) Any Public School/Board/University Examination in India or in any foreign country recognized by the Association of Indian Universities as equivalent to 10+2 system.
- (vii) H.S.C. Vocational Examination.
- (viii) Senior Secondary School Examination conducted by the National Open School with a minimum of five subjects.
- (ix) 3 or 4-year Diploma recognized by AICTE or a State Board of Technical Education.

In case the relevant qualifying examination is not a public examination, the candidate must have passed at least one public (Board or Pre-University) examination at an earlier level.

ELITE

BRILLIANT'S TWO-YEAR POSTAL COURSE

TOWARDS

IIT-JEE 2010

Syllabus and Medium of Instruction

Our course material for IIT-JEE, 2010 will be based on the syllabus issued for IIT-JEE, 2008. We do not anticipate any change in syllabus; should there be any, however, our material will be suitably supplemented at the appropriate time.

The course material is in the English medium, and only students who can follow our lessons in English should apply for enrolment.

Course Highlights

The ELITE course teaches the subjects from fundamentals, drills students with graded exercises, guides them with Progressive Evaluation Tests and Simulator Test Papers with solutions, raises their morale with Contact Programmes for interaction with our faculty and evaluates them, periodically, with B.MAT (Brilliant's Mock All-India Tests), the most rigorous, real and result-oriented testing process under exact IIT-JEE conditions.

Course Content and Despatch

The course material in each of the three subjects, Mathematics, Chemistry and Physics will be in 14 Sets, 7 of which will be sent during the first year, commencing April 2008, and the remaining 7 during the second year commencing April 2009.

The theory notes are elaborate with topics fully explained and with a number of illustrations. Each lesson is followed by Proficiency Tests and exercises in the form of objective questions.

Besides these 14 Sets, Y.G. Files for 2009 and 2010 are also included in the course. Details of the Y.G. File are given on pages 12 & 13. Y.G. File 2009 (Parts I & II) with Solutions will be sent in one lot in January 2009; Y.G. File 2010, Part I will be sent in September/October 2009 and Y.G. File 2010, Part II, in November/December 2009.

Our course material is normally sent by Parcel Post, or by private Courier Services at roughly monthly intervals.

Progressive Evaluation Tests

Progressive Evaluation Tests – Postal

There will be five Postal Tests in each of the three subjects; these will be all Objective Papers modelled on the IIT-JEE, and will be sent with Sets 3, 6, 8, 10 and 12 and will include topics covered in the preceding Sets.

Students should self-administer the Tests strictly under examination conditions, and finish each paper in one sitting within the specified time limit, without referring to the study materials.

Complete solutions to each of the papers will be sent with the subsequent Set for self-evaluation.

Progressive Evaluation Tests – National Sit-down

There will be a total of four Progressive Evaluation Tests, each consisting of Papers I & II, with questions in the three subjects, Chemistry, Physics and Mathematics to provide our students with feedback on their progress in preparing for the IIT-JEE. All of them will be National Sit-down Tests conducted at 41 cities across the country; the answer papers of all the Tests will be evaluated and all students who appear for the Test will be given their individual percentile score so that they know their relative performance against the national competition.

$$\text{Note: Percentile Score} = \frac{\text{No. of students who scored equal to or less than you}}{\text{Total No. of students who appeared in the Test}} \times 100$$

Progressive Evaluation Tests (National Sit-down)	
Exam	Month
PET 1	August 2008
PET 2	February 2009
PET 3	April 2009
PET 4	August 2009

Doubt-Letter Scheme

Our Professors' services will be available to clear student's difficulties while studying our course material. Students are welcome to send to us, in writing, their doubts, up to the end of February 2010, even though the despatch of course material would have been completed much earlier.

Doubts / Problems must be restricted to not more than 5 per letter and within the examination syllabus. The source from which problems have been taken **MUST BE SPECIFIED and the student's working sheets enclosed. Problems/questions given in magazines for awards will not be replied to, if sent to us as doubt letters.**

Doubt Letters which do not meet these specific conditions will not be answered.

Note: In order to facilitate and speed up processing, please write **Doubt Letter - Attn: Academic Section** clearly on the cover of the Doubt Letter. Please **DO NOT** combine Doubt Letters with other types of correspondence.

Doubt Letters through e-mail: doubtletters@brilliant-tutorials.com

B.MAT
BRILLIANT'S
MOCK ALL-INDIA TEST SERIES
FOR IIT-JEE
Six National Sit-down Part Tests
&
Eighteen Full-Syllabus Tests

B.MAT National Sit-down Tests

B.MAT – Part Tests

There will be six B.MAT Part Tests conducted in 43 cities across the country. Each of these six Tests will cover selected topics in Physics, Maths and Chemistry to enable the student to thoroughly assess his/her level of preparation, topic-wise.

The first two B.MAT Part Tests are scheduled for September 2009, the second and the third for October 2009, and the last two tests for November 2009. Answer papers will be evaluated and every student who appears for these Tests, will be given his/her individual Percentile Score.

B.MAT – 18 Full Syllabus Tests (8 National Sit-down and 10 Home-Based Simulator Tests)

To help students prepare thoroughly for the IIT-JEE, eight B.MAT Full-Syllabus Tests will be conducted in 43 cities under exact IIT-JEE conditions. The first two Tests are scheduled for December 2009 and the next two for January 2010. Two more Tests will be in February 2010 and the last two are scheduled for March 2010, after the Std. XII Board Exams.

At each Test, students will be administered two 3-hour Objective-type Test Papers. Both Papers will have three sections i.e. Physics, Chemistry and Mathematics, and will test the comprehension and analytical ability of the students to give them valuable practice to face the IIT-JEE 2010 in April 2010. Answer papers will be evaluated and returned, and the student will be given his/her individual percentile score so that they know their relative performance against the national competition.

The Question Papers of these Tests will not be sent by Post to students who do not appear in these Tests.

Full-Syllabus Home-based Simulator Tests

Ten Full-Syllabus IIT-JEE Simulator Papers, with sealed solutions, will be sent to our postal students. Students should self-administer each of these Simulator Test Papers under strict examination conditions, closely following the instructions in the papers, and then evaluate their performance by comparing their answers with the solutions provided in the accompanying sealed envelopes.

This home-based Simulator Series, plus the B.MAT Full-Syllabus Sit-down Tests (which will be conducted in 43 cities between December 2009 and March 2010) will give students the cumulative experience of having sat through 18 IIT-JEE Tests before appearing for the actual IIT-JEE 2010. This experience will build up speed, precision and a test-taking mind-set to help students face the IIT-JEE with supreme self-confidence.

Note:

*The first 2 home-based IIT-JEE Simulator Test Papers will be sent in November/December 2009. The next five Test Papers will be sent **ONLY** when we receive a photocopy of the student's IIT-JEE 2010 **Application Form showing the Application Number**. The last three Test Papers will be sent **ONLY** on our receiving a photocopy of the student's **Hall Ticket** for the IIT-JEE 2010 clearly showing the Registration Number and with the photograph visible.*

SCHEDULE OF B.MAT SIT-DOWN TEST SERIES

B.MAT Part Tests		
Exam	Type	Month
Part Test 1	Sit-down	September 2009
Part Test 2	Sit-down	September 2009
Part Test 3	Sit-down	October 2009
Part Test 4	Sit-down	October 2009
Part Test 5	Sit-down	November 2009
Part Test 6	Sit-down	November 2009

B.MAT Full-Syllabus Tests		
Exam	Type	Month
Test 1	Home-based (STS 1)	November/December 2009
Test 2	Home-based (STS 2)	November/December 2009

Test 16	Home-based (STS 10)	February/March 2010
Test 17	Sit-down	March 2010
Test 18	Sit-down	March 2010

TEST CENTRES: Ahmedabad, Allahabad, Amritsar, Bangalore, Bhillai, Bhopal, Bhubaneshwar, Bokaro Steel City, Calicut, Chandigarh, Chennai, Coimbatore, Dehradun, Dhanbad, Guwahati, Hyderabad, Indore, Jabalpur, Jaipur, Jammu, Jamshedpur, Kanpur, Kochi, Kolkata, Kota, Kurukshetra, Lucknow, Madurai, Margao, Mumbai, Mysore, Nagpur, New Delhi, Patna, Pune, Ranchi, Rourkela, Shillong, Thiruvananthapuram, Tirupati, Varanasi, Vijayawada and Visakhapatnam.

CONTACT PROGRAMMES

Members of our Faculty will visit several cities in the country to provide our Postal Students with occasions to directly discuss their doubts and difficulties. Students of the ELITE 2010 Course will have three such valuable opportunities to meet our faculty. Details of these programmes will be sent to our students in advance.

Contact Programme Centres: Bangalore, Bokaro Steel City, Chandigarh, Chennai, Hyderabad, Kochi, Kolkata, Lucknow, Mumbai, Nagpur, New Delhi, Patna, Pune and Ranchi.

Choice of Centres for Contact Programmes and the B.MAT Test Series.

Students should indicate their choice of Centre separately for the Contact Programmes and the B.MAT Sit-down Tests, on the Enrolment Form.

No change in the Centre will normally be allowed. Any subsequent change in the Centre of choice will be considered only in exceptional cases and where the student applies to us in writing and receives our approval.

Students who enrol late may miss some of the Tests and/or Contact Programmes, depending on their date of enrolment.

Students will be eligible to appear for the Sit-down Tests thirty days from the date of enrolment.

YG (“YOUNG GENIUS”) FILE YOUR ACE OF TRUMPS

No preparation for IIT-JEE can be considered complete without Brilliant's legendary Y.G. File

Objective

Preparation for the IIT-JEE involves intensive training in answering objective type questions, and solving tough problems, both short and long, combining speed with accuracy.

Whatever be the degree of preparation of the student, there is always an element of surprise in the actual IIT-JEE Question Paper. This element of surprise will stimulate, but not demoralise, *if* the student has had sufficient experience in tackling problems of the JEE standard. It is precisely this experience that our Y.G. File aims to provide.

The Compendium

The Y.G. File does not contain any detailed theory but it has hundreds of problems of the brain teasing type. To help solve Y.G. File problems, we provide a Ready Reference Compendium, a collection of important formulae, equations and data in Physics, Mathematics and Chemistry.

All New Problems

Each year, Brilliant's Y.G. File offers you a collection of 1500 tough problems to tackle in Physics, Mathematics and Chemistry. Y.G. File comprises Y.G.File – Part I and Y.G.File – Part II, each consisting of objective questions in each of the three subjects.

The objective questions step-by-step will be presented topic-wise, so that the student can attempt the problems in any topic as and when he/she feels comfortable with his/her level of preparedness in that particular topic. Questions and problems that cover more than a single topic will be given together, at the end of each subject.

In the Y.G. File - Part I, there will be a total of **750 Questions** (250 Questions in each of the three subjects – Mathematics, Chemistry and Physics). The Y.G.File - Part II will have another **750 Problems** on a similar pattern.

The solutions to all the questions will be sent with the respective questions.

ENROLMENT AND FEE STRUCTURE

Enrolment for Elite, 2010 opens on January 01, 2008. The fee for the Course is **Rs. 10,800/-** + Service Tax Rs. 1335/-. **Total: Rs. 12,135/-**.

SPECIAL RECOGNITION FOR SCHOOL TOPPERS!

In special recognition of their achievement, Brilliant Tutorials is pleased to offer a special concession of **20% (Rs. 2160/-)** of the Elite course fee to those students who stand **first, second or third** in their schools in the Std. X Board Exam, provided they have secured a minimum of 80% or above of the average of the percentage of marks in Maths and Science in the Std. X Public Exam of the CBSE/ICSE or 85% or above of the average of the percentage of marks in Maths and Science in the Std.X Exam of other Boards. The fee for these students will be **Rs. 8640/-** + Service Tax Rs. 1068/-. **Total: Rs. 9708/-**.

To claim this special concession, either at the time of enrolment or later after the results are announced, the student must send us:

- (a) a copy of his/her Std. X. Board Exam marksheet attested by a gazetted officer.

If the mark sheet is in a language other than English, a certified translation in English should also be attached.

- (b) an **original letter on school letterhead from the Principal** of the school from which the student appeared for the Board Exam stating the student's school rank in the Board Exam. This letter must be signed only by the Principal (no other signature will be accepted) and must be in the original (**photostat copies will not be accepted**).

In all cases, the decision of Brilliant Tutorials Pvt. Ltd., shall be final.

Continuation of Page 14

**SCHOLARSHIP CONCESSION
FOR HIGH PERFORMANCE
IN STD. X PUBLIC EXAMINATION!**

A concession of 30% (**Rs. 3240/-**) of the Elite Course fee will be awarded to students who secure 95.0% or above, of the average of percentage of marks obtained in Maths and Science in the Std.X Exam of any Board. The same concession will also be offered to those students who have qualified as NTS Scholars in the National Talent Search Examination conducted at the Std. X level by the NCERT, New Delhi, provided these students have also secured a minimum of 80.0% of the average of the percentage of marks in Maths and Science of the CBSE/ICSE or 85.0% or above of the average of percentage of marks in Maths and Science in the Std. X Exam of any Board. The fee for these students will be **Rs. 7560/- + Service Tax Rs. 934/-**. **Total: Rs. 8494/-**.

A concession of 15% (**Rs. 1620/-**) of the Elite Course fee will be awarded to students who secure 80% or above of the average of the percentage of marks in Maths and Science in the Std. X Public Exam of the CBSE/ICSE or 85% or above of the average of percentage of marks in Maths and Science in the Std. X Exam of other Boards. The fee for these students will be **Rs. 9180/- + Service Tax Rs. 1135/-**. **Total: Rs. 10,315/-**.

If the Science subjects are mentioned individually, the percentage of marks obtained in Physics and Chemistry alone will be added to the percentage of marks in Maths.

If the mark sheet is in a language other than English, a certified translation in English should also be attached.

Student claiming the NTS Scholar concession should send us an attested copy of the Notification Letter from the NCERT, New Delhi.

Note: The concessions detailed above are **not** additive i.e. a student will be eligible only for **one** concession and will be awarded the highest concession that he/she qualifies for.

PROCEDURE FOR ENROLMENT

Students may enrol at any time convenient to them but are advised to join early to ensure that they get the maximum time for study and revision of the course material.

Students who enrol in the ELITE COURSE before publication of their Std. X Board Examination results may later claim a refund of their scholarship Fee Concession (if eligible), by sending us a photocopy of their Std. X Board Examination marksheet attested by a Gazetted Officer.

Students enrolling after publication of the Std. X results may claim their Scholarship Fee Concession by enclosing with their Enrolment Form, a photocopy of the Std. X Board Examination marksheet attested by a Gazetted Officer.

The student should send us:

1. The completed Enrolment Form, with a passport size photograph (preferably colour) glued in the allotted space.

Note: Enrolment Forms without the photographs will not be accepted.

2. Two additional signed copies of the photograph with the Enrolment Form. One photograph will be pasted on the Admit Card sent to the student on enrolment. The Admit Card **MUST** be produced for admission to the Contact Programmes and Sit-down Tests.

Note: The examination superintendent at the venue of the Sit-down Tests and the Manager of the Contact Programmes reserve the right to refuse admission to any student who does not produce the Admit Card.

3. The full Course Fee : The fees for the course should be remitted in full, either by **Money Order or Demand Draft**, drawn in favour of **Brilliant Tutorials Pvt. Ltd.**, payable at **Chennai**.

Remittance by Money Order: The course for which the M.O. is being sent, as well as the student's full postal address, should be indicated in the coupon.

The fee may also be paid in cash at our office.

Students resident outside India should follow the remittance instructions given on the Enrolment Form they receive.

Fees once paid will not be refunded or adjusted under any circumstances.

Note : When calling to enquire about the status of your application, please have the following information ready:

- A copy of your application form.
- D/D Number and Date (If Money Order, then MO Receipt Number and Date)
- Issuing Bank / Post Office
- Mode of Despatch of application (Courier, Registered Post, Speed Post, Ordinary Post)
- Date of Despatch

Please wait at least 15 days after date of despatch before enquiring.

IMPORTANT

Students should watch for publication of the IIT-JEE Notification in Newsmedia in November/December 2009 and arrange to obtain and complete the application forms.

It is the student's responsibility to ensure compliance with all conditions for writing the IIT-JEE.

PRIZE SCHEME FOR IIT-JEE, 2010

Brilliant Tutorials takes great pleasure in announcing the Prize Scheme for our students writing the IIT Joint Entrance Examination in 2010. Brilliant's student enrolled in any of our Postal or Classroom Courses towards IIT-JEE, winning the **ALL INDIA**

<i>First Rank</i>	<i>will receive a cash prize of</i>	<i>Rs.1,00,000</i>
<i>Second Rank</i>	<i>will receive a cash prize of</i>	<i>Rs. 75,000</i>
<i>Third Rank</i>	<i>will receive a cash prize of</i>	<i>Rs. 50,000</i>
<i>Fourth Rank</i>	<i>will receive a cash prize of</i>	<i>Rs. 30,000</i>
<i>Fifth Rank</i>	<i>will receive a cash prize of</i>	<i>Rs. 20,000</i>
<i>Sixth Rank</i>	<i>will receive a cash prize of</i>	<i>Rs. 15,000</i>
<i>Seventh Rank</i>	<i>will receive a cash prize of</i>	<i>Rs. 10,000</i>
<i>Eighth Rank</i>	<i>will receive a cash prize of</i>	<i>Rs. 9,000</i>
<i>Ninth Rank</i>	<i>will receive a cash prize of</i>	<i>Rs. 8,000</i>
<i>Tenth Rank</i>	<i>will receive a cash prize of</i>	<i>Rs. 7,000</i>

Brilliant's Students securing the 11th to the 100th Rank, will receive a cash award of Rs.2,500/- each.

Brilliant's Students securing the 101st to the 500th Rank will receive a cash award of Rs.1,000/- each.

Note: Students who are enrolled in more than one Course will be entitled **ONLY** to a single prize based on their rank as detailed above.

Students enrolled only in our 'Target-IIT' Course are **not** eligible for this Prize Scheme.

This Prize Scheme is applicable only to the All India Ranks of General Category and not to the Ranks under any reserved category such as SC, ST, Defence, etc.

SC/ST Candidates:

SC and ST candidates' results are announced separately by IIT. In view of this and the fact that the prize scheme announced above will be applicable only for the All India Ranks of General Category, Brilliant is pleased to announce the following special scheme for SC/ST candidates:

SC and ST category students of Brilliant Tutorials securing between the First and the Tenth Ranks in IIT-JEE 2010 will receive a cash award of Rs. 2,000/- each, those between the 11th and the 100th Ranks, Rs. 1,000/- each, and those between the 101st and the 500th Ranks, Rs. 500/- each.

This prize scheme for SC/ST candidates shall be in force only as long as the results for SC/ST candidates are published separately by IIT as at present. In the event of any change in the pattern of result announcement by IIT, this scheme will be treated as invalid.

All students should send us a photo copy of their Hall Ticket for the IIT-JEE 2010 immediately upon receipt, along with a copy of their BT Admit Card with the photograph visible. Students who do not send us this copy **before** the exam will **not** be eligible to claim the prize.

The prize amount will be paid in Indian Rupees.

In case of a tie, the prize amount will be divided.

In all cases, the decision of the Management of Brilliant Tutorials Pvt. Ltd., shall be final.

WHAT WE EXPECT OF OUR STUDENTS

- * Make the best use of the facilities offered to you.
- * Read to understand, with pencil and paper in hand.
- * Attempt all assignment problems and Test Papers, before referring to the solutions.
- * Do not miss the Contact Programmes or the National Sit-down Tests.
- * Make use of the Doubt Letter Scheme whenever necessary, but do not rush to the Professors, when a little more effort on your own could help you.
- * Merely reading through worked-out solutions is not the way to prepare.
- * You should not need any external prodding, since you have your own goal to reach.

REQUESTS FOR CHANGE OF ADDRESS ETC.

Normally we do not accept any advice for stoppage of despatch of study material. Change of address, or, in exceptional cases, stoppage or resumption of despatch etc. will be implemented only if requested by a letter signed by the student. A photocopy of the Admit Card (with the photograph visible) must be enclosed with the letter. Telephone requests will not be honoured unless confirmed in writing.

This policy is designed to prevent fraud and to safeguard the interests of our genuine students.

Please allow 15 days from the date of receipt, for implementation of the change

All matters are subject to the exclusive jurisdiction of the courts in Chennai only.

WHAT OUR STUDENTS SAY

June 21, 2007

I only took Brilliant's 2 year's Elite course towards IIT-JEE. The course helped immensely, especially by providing me much advanced study material in a concise fashion. I am really indebted to the course for my success. The quality of the course material was extremely good and so were the contact programmes. I recommend your course to everyone who aspires to IIT-JEE. Your course has been really a boost for my performance and has kept me one step ahead of my competitors. The problems of YG-File has been quite a brain food for me and has improved my performance in other competitive exams, too. **(A.I.R – 4)**

Subhasis Das, EELP07 – 01385

June 21, 2007

The course contributed a lot towards my overall success as the tests were at par with the JEE level. I think the tests were really good and at par with the JEE. The Y.G File problems were also good & proved quite effective. I think the course was very helpful & I strongly recommend all serious IIT-JEE aspirants to join the course. I am really grateful to Brilliant Tutorials for the course which was quite helpful for me in getting the sixth rank. I think the course is indispensable for serious aspirant of IIT-JEE. **(A.I.R – 6)**

Ankit Garg, EYGP07 – 00976

June 21, 2007

Test series had good questions & Test centers were managed efficiently. The Physical chemistry notes in the correspondence course were very good and helped me understand the subject clearly. I found the test series very helpful. I would recommend the test series to every IIT-JEE aspirant. **(A.I.R – 8)**

Pareek Harsh Harivansh, EELP07 – 03404

June 22, 2007

The Elite course helped me a lot in my IIT preparation. I used to revise what I learnt in class that day from Brilliant's course material. During the final revision for JEE, the short-notes provided by BRILLIANT TUTORIALS were the best resource for me. Short notes & YG Files helped me to revise quickly, repeatedly & efficiently all the JEE course. Course material especially short notes and questions were very good. BRILLIANT's Postal Tests were the exact level required for JEE, not tougher not easier. BRILLIANT TUTORIALS provided a very good material from which you can continuously revise the JEE course and clear your doubts at the root level. **(A.I.R – 20)**

Raman Sharma, EELP07 – 03721

June 21, 2007

The course helped with practice problems, concepts, theory etc. The course helped me to perform well on JEE day; by giving sufficient practice. I was sure of getting in top 1000 in JEE. The course helped me boost up my rank into the top 50. The quality of course material is very good. The tests are also quite helpful in preparing for JEE. The contact programmes are better than average. The Doubt letter scheme is a good one and should be availed. It is also helpful in view of other exams like AIEEE etc., I would recommend this course to every student who wishes to perform his best in JEE. It should be taken by any student who wishes to be fully prepared for difficult exams. **(A.I.R – 23)**

Shiv Shankar, EELP07 – 01468

June 26, 2007

When I felt a topic to be weak, I immediately worked out YG-File material problems & felt satisfied. Also, in sit-down test, I knew my All India position. For paper practice, I did only STS's. With the help of this, I could get State Rank – 2 and A.I.R – 76 in AIEEE. Also, I would perform well in Olympiads & become INMO awardee, 2007. The course helped me a lot. With the help of this courses, I could appear in all three national Olympiads (Physics, Chemistry, Maths) & could clear INMO (Indian National Maths Olympiad) & attended the IMOTC (IMO training camp) in May, 2007. The doubt letter scheme is really helpful. **(A.I.R – 34)**

Shah Nisarg Kirtikumar, EEYG07 – 01808

June 16, 2007

The competition that I faced in the test series helped me know the level of my preparation and find my deficiencies to correct them. Your institute has really helped me in my preparation and has definitely added to my IIT-JEE rank. **(A.I.R – 38)**

Kanav Goyal, EYGP07 – 01253

June 22, 2007

I did all the tests (postal, simulator sit-down) and the quality is best in the business. I would strongly recommend BT course to others as the quality is unmatched in the JEE sphere. Test will really give you a feel of JEE exam. JEE, considered as the toughest exam, appear really easy with the help of BT. The level, quality and standards set by BT match perfectly with the JEE. **(A.I.R – 40)**

Sandeep Kumar Gupta EYGP07 – 01075

June 20, 2007

The course did provide me with good practice material in the form of YG Files. The difficulty level of the tests was at par with the JEE level. The test series gave me exposure and encouragement, and helped me in finding my weak points. I really acknowledge the part played by Brilliant Tutorials in my success. I would strongly recommend your course to all serious IIT-JEE aspirants. The YG file and B.MAT test series did really help me gain confidence in solving problems. **(A.I.R – 56)**

Vivek Goyal, EYGP07 – 01540

June 29, 2007

The course greatly aided my classroom studies. I found it very useful as reference material. It helped understand the pattern of the JEE as the tests were very close to them. The Postal & Simulator tests were very useful as they were very close to the actual pattern of JEE. I feel the course is very useful in preparing for JEE. It is geared towards the current format. **(A.I.R – 63)**

Shayak Sen, EEYG07 – 00803

June 20, 2007

It helped me to a great extent. The quality of questions was exactly similar to actual JEE questions. For revision, YG-File was excellent. I recommend each and every IIT aspirant to solve all test papers and all problems of YG-File. **(A.I.R – 66)**

G. Avinash , EBSH07 – 00035

June 19, 2007

Brilliant's test series papers were very good. They were perfectly IT oriented. Brilliant has helped me a lot to put my efforts in right direction. Course material was good, all points were covered & language of teaching through books was more student friendly than any other material I referred. Definitely every serious IIT-JEE aspirant must opt for brilliant to improve his/her chances. **(A.I.R – 67)**

Harmalkar Gaurav Vijay, EYGP07 – 02067

July 05, 2007

YG File questions were very good and tested all the skills (problem solving and speed). The simulator tests especially the last two were conducted like the main exam. I benefited immensely from your programme especially on the YG File and home tests. **(A.I.R – 76)**

Sunny Agarwal, EBFS07 – 00373

June 29, 2007

Chemistry was a great help. It was extensive and yet quite accurate. The YG File and test series were useful as the level was close to this year's JEE. Course material was extensive with a nice collection of questions at the end. **(A.I.R – 82)**

Ankit Sagwal, EELP07 – 03110

June 27, 2007

The tests were very helpful for boosting confidence and were on par with the level of JEE. The 'YG File' was also very helpful for providing nice problems and elegant solutions. **(A.I.R – 95)**

Rohit Bhatia , EYGP07 – 01114

June 22, 2007

The regular tests actually simulated original JEE experience and the course material was excellent. My experience with “BrilliantTutorials” was overwhelmingly helpful. The Chemistry part of the course material was outstanding and incomparably concise, yet having a broad scope. The tests that I had written gave a rich experience of attending properly to the requirements of the “actual paper”. (A.I.R – 107)

Pavan Kumar, EELP07 – 03941

June 24, 2007

The tests I found were very close to JEE pattern and also the difficulty level. The tests also gave me inspiration to tackle the JEE preparation with courage and confidence. (A.I.R 113)

S.V.R. Akhilesh, EYGP07 – 01963

June 20, 2007

It gave me an extra edge in all, it consisted of good discussion on concepts, typical illustrations & solved examples and exercises were extremely good especially in the earlier modules which were prepared for subjective pattern. I couldn't have got AIR 114 without your course. Course material is the best in India, better than any other institute and it is designed in fashion most suited for self-study, problems are in increasing sequence of difficulty. It's perfectly perfect. Brilliant's Elite course & B.MAT Part Test Series were the best things in my JEE preparation to happen. I owe my success to these two things to a very good extent. (A.I.R – 114)

Nandan Mahadeo Sawant, EELP07 – 04236

June 28, 2007

All the course material, contact programme, Doubt Letter Scheme and various tests are truly appreciable and helpful for the preparation of competitive exams like IIT-JEE. (A.I.R – 115)

Vatsal Dwivedi, EELP07 – 01760

June 20, 2007

Tests are accurate to IIT-JEE standard these days. (A.I.R – 122)

Aditya Goel, EYGP07 – 00018

June 22, 2007

The study material was good and systematic. It helped clear many concepts in various subjects. I especially liked Chemistry notes of Organic & Inorganic. The tests were also useful. I feel that the study material is very useful & I recommend it to others. **(A.I.R – 131)**

Rishabh Krishna Iyer, EELP07 – 00712

June 20, 2007

The course material was excellent for JEE preparation. It had detailed theory coverage which helps in building concepts. The questions in the assignment also helped in developing problem solving skills. The B.MAT Test series helped me in enhancing my speed and accuracy. The questions were quite relevant to the new JEE pattern. YG File and compendium are very good for final revision. The 2-Yr. Elite course has played a pivotal role in my success in JEE. It helped me build confidence and right exam temperament required for JEE. The course material had very good theory, which is essential for building sound fundamentals. I would strongly recommend Brilliant's correspondence course to other JEE aspirants. It will definitely help them in building their concepts and securing a good rank in JEE. The course material was excellent and helped me build strong fundamental concepts. The questions in YG file are very challenging and help a lot in building confidence and problem solving skills. I would strongly recommend this course to any JEE aspirant. **(A.I.R – 134)**

Divya Alok Sharma, EELP07 – 00360

June 22, 2007

The course helped very much in my preparation. The material was enough to be prepared for any kind of problems. The doubt-letter scheme was very good and helped me to get clarified even the difficult ones. I am very grateful for the Brilliant's Material. It helped me very much in the preparation for IIT-JEE. I recommend every aspirant of JEE to take this course. **(A.I.R – 142)**

Garimella Jagannadh Kashyap, EELP07 – 00190
